## Annual Parent Notice Right to Request Teacher Qualifications

Dear Parent or Guardian,

Our school receives federal funds for Title I programs that are part of the *Elementary and Secondary Education Act of 1965 (ESEA)*, as amended by the *No Child Left Behind Act of 2001 (NCLB)*. Throughout the school year, we will continue to provide you with important information about this law and your child's education.

We are very proud of our teachers and feel they are ready for the coming school year and we are prepared to give your child a high-quality education. As a Title I school, we must meet federal regulations related to teacher qualification as defined in ESEA/NCLB. Under these regulations, you have the right to request information regarding the professional qualifications of your child's classroom teacher(s) or paraprofessional(s). If you request this information the district or school will provide you with the following as soon as possible:

- a. if the teacher has met state licensing requirements for the grade level and subjects in which the teachers is providing instruction;
- b. if state licensing requirements have been waived for the teachers on a temporary basis;
- c. the type of college degree major of the teacher and the field of discipline for any graduate degree or certificate; and
- d. if your child is receiving Title I services from paraprofessionals.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.

If you would like to request this information or if you have any questions about your child's assignment to a teacher or paraprofessional, please contact the following person at your child's school.
